Who are you? We are a family business with 30 years' experience in guiding / tour leading and storytelling in the English and German language.

Why should I use a bike when I can take a bus?

Apart from the great exercise, you'll see more, hear more and smell nature.

Where do I get a bike and helmet? Both are included in the price.

Can I use my own bike on your tours? Yes.

In what language is the tour? English. Several other languages are available on request.

Why should I join your tour? We like to think we offer the best guided bicycle tours in Reykjavik and are certain you'll enjoy the ride.

What should I bring? A hat and gloves (we have some extra), warm, wind- and rainproof clothes are useful.

How many can join the tour at one time? We believe smaller is better for you. Therefore we limit our group size to 15.

The best view of Reykjavik is from a bike. Join us for a ride in the city and along some of Reykjavik's fantastic coastline.

Do you still go if it rains? Yes! A bit of rain does not stop us from going. We are ready if you are.

How difficult are the rides? Our guests tell us Classic Reykjavik is easy and Coast at Midnight is a medium difficulty.

Where & when do we meet? All scheduled tours depart from the Old Harbour (see map). Please be there 15 minutes before departure.
